The Salzburg Law School on International Criminal Law takes place in one of the most beautiful Cities in Europe. Classes are held at the University of Salzburg, Faculty of Law, a sixteenth century Baroque- style palace situated in the centre of the old city. It is considered to be among the finest buildings in Europe housing an educational institution.

The Salzburg Festival, internationally known and taking place during the whole month of August, renders Mozart's birth town the heart of the international music scene.

Wonderful lakes and mountains invite to lovely daytrips and offer dozens of different leisure time activities such as hiking, swimming, sailing, surf, paragliding and many more.

In addition to the academic programme the Salzburg Law School offers a special social programme, including evening activities, sports facilities and a guided city tour.
